## RESEC CYMRU

RESEC is an Oxford University founded research charity into elderly and specialist care established in 2003 at Green Templeton College. It works through national committee in Wales and Scotland plus six regional groups in England.

RESEC Cymru - cooperates with a range of academic, Third Sector, statutory and independent partners to encourage joint working, best practice initiatives and evidence based research in social care and community health settings.

RESEC Cymru - is proud to acknowledge the kind partnership of the Wales Dementia Centre University of Bangor for its Annual Wales Conference ; the City and County of Swansea for hosting this 10th Annual Lecture and MHC UK for continued research and developmental support in enabling best practice initiatives.
